

# ATM

PERSONAL SAFETY & SECURITY TIPS

## What YOU can Do

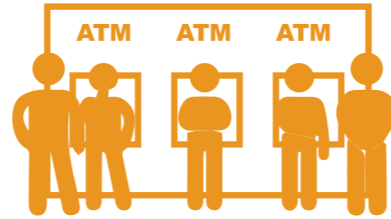

### Be Aware

Be aware of suspicious people near the entrance.

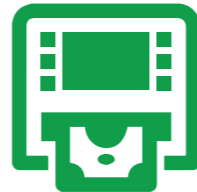

### Mirrors

Use the mirrors installed on the ATM, to watch behind you.

### People Nearby

Use well-lit, frequently used ATM's.

### Money

Take, and put away your money, card, and receipt BEFORE exiting an ATM.

### Inside ATM

Avoid ATM's that have unlocked doors or are outside along the street.

### Bank Card Access

Your card is exclusively for your entry only.

## Report It.

Immediately report robbery, theft, or suspicious activity by calling 911.

### View

Block the view from others while making your transaction.

### Closed Doors

Make sure the door closes and latches behind you.
