

Transit Safety

SAFEGUARD YOUR POSSESSIONS

What You Can Do

The TSE Transit Division offers the following safety tips to safeguard your property when you're using public / mass transit systems:

Prime Targets

Remember that cell phones and electronic devices are prime targets for thieves.

Where to Sit

Sit away from the door to avoid a purse or chain snatch and run.

Taxis

Always exit taxicabs via the curbside door, watching for cyclists, pedestrians, and oncoming cars.

Headphones

Refrain from wearing headphones on the subway or bus.

Vigilance

Remain alert to your surroundings, especially if you are using an electronic device.

Wallet

Never carry your wallet in your rear pants pocket or in the outer compartment of your backpack.
